LIQUID TRANSFER

- Materials and Spare Parts for Pumps
- Petrol Taps, Petro-chemistry and Industrial Fluids: Water, Steam, Oil, Gas, Drains, Level Indicators, Pressure Reducers, Strainer Filters, One-way Valves, Industrial Piping.
- Seals: T-shaped, Bent, Reduced, Series 3000 Sockets, Collars, Nuts & Bolts, Seals, Spare Parts, and Materials for Compressors
- Products involving Air Treatment: Filtration (Ultra-filter, US filters, Pall), Distributors Jack, Seals, and Electric Valves
- Materials for Measurements: Manometers
- Metering of Liquids: Measuring Temperature
- Refrigerating / Cooling Equipment and Spare Parts: Resistors, Filters, etc.

INDUSTRIAL EQUIPMENT - SPARE PARTS

- Mechanical Products: Bearing Belts, Grease Boxes, etc.
- Watertight Products: Mechanic Gasket, Braids and Seals.
- Electrical Materials: Engines and Spare Parts
- Handling Material: Fork-lift Truck, Spare Parts, Tyres, Pallet Trucks, Travelling Crane & Hoisting Gear, Winding Drum, Slings, Cables, Lifting & Towing Chains, Transport Belt, Industrial Equipment, and Radiospares
- Protective material: Individual Protection, Shields, and Fire Prevention Tools
- Weighing Materials & Spare Parts, Electrodes, Laboratory Materials, Consumable Specific Paint, etc.

STEEL, PLASTICS, ALUMINIUM

APS provides basic materials and finishing operations for your different needs as well.

- Building Construction: Beams (IPE, IPN, UPN, UAP, HEA, HEB), Bars (Tes Us Plats Cornières), Steel Sheets (Hot Rolled, Teared Sheets, Building Pipes - Rounds, Square, Rectangular), Gratings, Perforated Steels Sheets, and Steel Sections for Roofing & Cladding
- Cutting of Beams, Paint Shot Blasting, Hot Dip Galvanization, Bending of Girders & Corners, as well as Cutting through varied thicknesses
- Boiler Making and Piping: Hot Rolled Steel Sheets and Plates in based on European Standards S235JRG, Hot Dip & Electro Galvanized Steel Sheets.

We offer a wide variety of grades in several products.

- High Quality Brands such as S355, CORTEN Steel (with Copper for Anti-protection) Steelboilers (P265GH), Ship Building Quality in Sheets & Bars, Abrasion Steel Sheet (HB320), High Flexible Quality (E690), etc.
- Welded and Seamless Pipes with accessories
- Stainless Steel Sheets, Bars and Pipes 304, 304L, 316L, 310
- Aluminium Metal Sheets, Bars, and Pipes 5754, 5086, 1050, 6060
- Engineering Industries: Carbon Steel (C22, C35, C45), Alloy Steel (35NCD16, 16NC6, 25CD4), Aluminium (6060, 5083, 2017) Stainless Steel, Brass, Bronze, Industrial Plastic PTFE, Nylon, Seamless Steel Pipe for Mechanic Appliances 20MV, etc.

RAW MATERIALS

- For Food industry, Metal and Petro-chemical Industries.
